Sydney Academy Internet Access and User Policy

Policy Statement

Students in Sydney Academy will select from a variety of information sources, including the Internet, to support and extend their learning as prescribed in the “Public School Programs” of Nova Scotia. Access and use of the Internet by students in Sydney Academy will allow them to access local, national and international electronic information sources and to collaborate with peers and experts to solve curriculum related problems. Access to information and collaboration are vital to intellectual inquiry in a democracy.

For the Student:

I have read, understand and accept the Sydney Academy Acceptable Use Policy as presented in the Student Handbook and/or on the school Webpage.

I agree to abide by all the conditions in the policy.
