

**Art dramatique 10
Sydney Academy
September 2009**

To the parent/guardian of an **Art dramatique 10** student:

This letter is intended to inform you of the content of the course your son/daughter has chosen to take during the first semester of the 2009/2010 academic year.

This course is intended to strengthen the linguistic abilities of students studying French through speech, movement, deriving script from text, and production. L'art dramatique 10 develops greater understanding for the nuances of French language and culture worldwide.

Attendance for this class is important, as the classroom is primarily where students will practice speaking in French. Also, students participate in many group activities and collaborations. Absences can lead to confusion for other group members and may attribute to incomplete assignments.

The term mark for this class is calculated on class assignments, projects, oral participation (**French** spoken in class), and presentations. There is no exam given for this course.

Marks for the semester will be as follows:

Communication	20%
Projects	60%
Class work and Daily Assignments	<u>20%</u>
Total	100%
