

Sydney Academy Online Registration Instructions

Go to the parent/student portal link found on the school's home page or <https://siscbvrsb.ednet.ns.ca/public/> Login using your username and password. Your username and password are provided on the blue form. You may be required to change your password the first time you login.

Click on 

The screenshot shows the PowerSchool website interface. On the left is a navigation menu with the following items: In-Progress Achievement and Attendance, Academic Achievement, Provincial Assessments, Attendance History, School Bulletin, Class Registration (highlighted with a blue bar and a large black arrow pointing to it), and Student Schedule. The main content area is titled "Welcome to the Sydney Academy Class Registration System for 2016-2017". It lists three course options for Grade 10:

- Grade 10 English**: English 10S does not fully prepare for Academic English 11. It is for students intending to take English Communications at the grade 11 level. (Click the edit button to request a course)
- Grade 10 Math**: Math Essentials 10 (MTHE10) and Math at Work (MTW 10) are one semester. (Click the edit button to request a course)
- Grade 10 Science**: Average and above students should choose both Science 10 and Biology 11. Science 10 is required for Chemistry 11 or Physics 11. (Click the edit button to request a course)

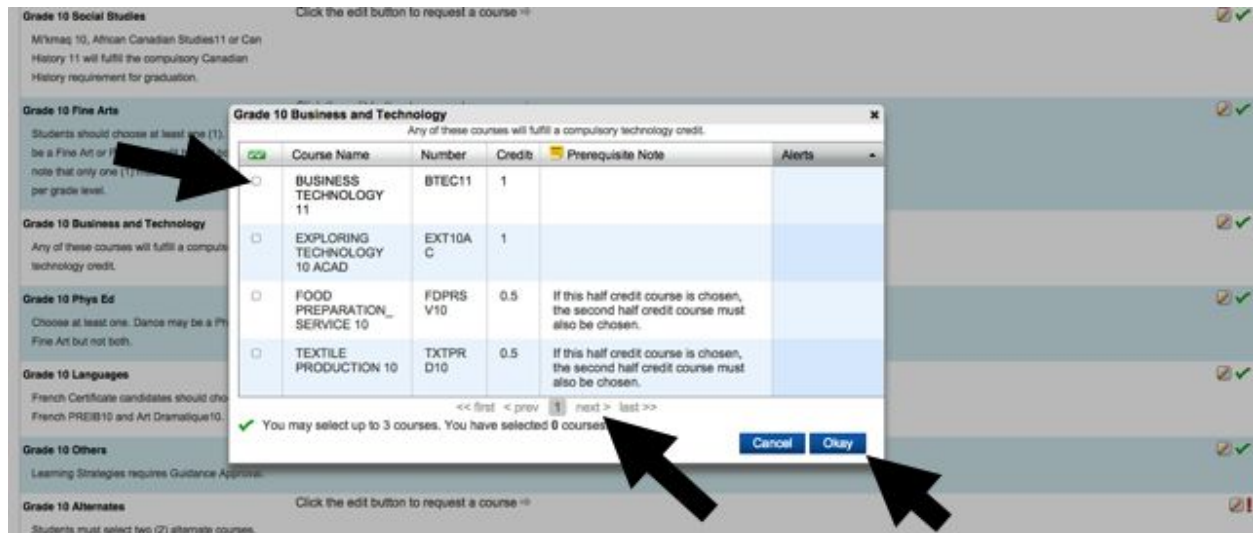

Click on each pencil  to choose courses in the groupings. Read the information given each time.

The screenshot shows the "Welcome to the Sydney Academy Class Registration System for 2016-2017" page. It lists five course options for Grade 10, each with an "edit" button (represented by a pencil icon) and a checkmark icon. A large black arrow points to the pencil icon for the Grade 10 English course.

- Grade 10 English**: English 10S does not fully prepare for Academic English 11. It is for students intending to take English Communications at the grade 11 level. (Click the edit button to request a course)
- Grade 10 Math**: Math Essentials 10 (MTHE10) and Math at Work (MTW 10) are one semester. (Click the edit button to request a course)
- Grade 10 Science**: Average and above students should choose both Science 10 and Biology 11. Science 10 is required for Chemistry 11 or Physics 11. (Click the edit button to request a course)
- Grade 10 Social Studies**: M'Inmaq 10, African Canadian Studies 11 or Canadian History 11 will fulfill the compulsory Canadian History requirement for graduation. (Click the edit button to request a course)
- Grade 10 Fine Arts**: Students should choose at least one (1). Dance can... (Click the edit button to request a course)

A window will open for the chosen course group. Click the box (es) of the course(s) you want. There may be a 'next' link at the bottom of the window for more choices. Click 'Okay' for the window after you have made all your selections. Continue to the next grouping by clicking the next pencil.

Grade 10's and 11's must choose 8 credit hour courses and two alternate courses. Grade 12's may choose Study_Library (7 credit hours) and two alternates.

NOTE: Registration is **NOT COMPLETE until the SIGNED blue registration form has been returned to your homeroom teacher.**
